ASSIGNMENT

WHEREAS, we, Lloyd A. Nelson and Nancy D. Mosby (hereinafter referred to as ASSIGNORS), having mailing addresses of 107 Teakwood Drive, Savannah, Georgia 31410-1626; and 1619 Wilmington Island Road, Savannah, Georgia 31410-4519, respectively, are the joint inventors of an invention entitled, "POLYBASIC ACID ESTERS AND THEIR USE IN FIBRE OPTIC CABLES", as set forth in United States Patent Application No. 60/286,880, which was filed with the United States Patent and Trademark Office and accorded a filing date of April 27, 2001;

WHEREAS, ARIZONA CHEMICAL COMPANY (hereinafter referred to as ASSIGNEE), a corporation duly organized and existing under the laws of the State of Delaware, and having a mailing address of 4600 Touchton Road, Suite 500, Jacksonville, Florida 32246-8225; is desirous of acquiring ASSIGNORS' entire right, title and interest in and to said invention, said application, and any letters patents that may be granted therefor or that claim priority thereto in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS do hereby sell, assign and transfer unto said ASSIGNEE, its successors and assigns, the entire right, title and interest in and to said invention, said application and any and all letters patent that may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues, continuations and extensions thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, specifically including the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from ASSIGNORS, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNORS do hereby consent that a copy of this Assignment shall be deemed a full legal and

formal equivalent of any assignment, consent to file, or like document, which may be required in any country for any purpose and, more particularly, in proof of the right of ASSIGNEE or its successors, assigns, nominees or legal representatives to apply for patent or other proper protection for said invention and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it. ASSIGNORS do hereby agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said invention, including any instruments and documents needed for vesting title thereto in said ASSIGNEE, its successors and assigns, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefor. ASSIGNORS hereby covenant with ASSIGNEE, its successors, assigns, nominees and legal representative that, to the best ASSIGNORS' knowledge the right, title, and interest herein conveyed by ASSIGNORS is free and clear of any encumbrance, and that ASSIGNORS have the full right to convey the same as expressed herein.

EMPLOYEE AGREEMENT (INVENTIONS & CONFIDENTIAL INFORMATION)

In consideration of my employment (or continuation of such employment) by UNION CAMP CORPORATION (or one of its divisions or subsidiaries), and in consideration of the compensation to be paid me for my services in the course of such employment, I, for myself, my heirs, executors, administrators or other legal representatives and assigns, do hereby agree:

1. That "Company" whenever used in this agreement includes UNION CAMP CORPORATION and/or any of its divisions and subsidiaries.
2. That I will (a) promptly disclose and assign, and do hereby assign to the Company, any and all inventions, discoveries and improvements which I may discover or conceive either solely or jointly with others during the period of my employment (whether or not during usual working hours) and which relate to or are susceptible of use in the business of the Company or are suggested by any work I may do for the Company; (b) disclose promptly any technical data, know-how or information which I may acquire with respect to any matters relating to the Company's business; (c) assist the Company at the Company's expense in obtaining for its benefit patents in the United States and in any and all foreign countries on all such inventions, discoveries and improvements and in enforcing and defending its rights relating to any such patents, inventions, discoveries or improvements; (d) testify on its behalf with respect thereto; and (e) execute all proper papers for use in applying for, obtaining and maintaining such patents, and in maintaining or enforcing the rights of the Company thereunder.
3. That any such inventions, discoveries and improvements and any technical data, information or know-how made, discovered or conceived or acquired by me in the course of my employment and relating to the Company's business (other than information of public knowledge), whether patented or not, are to be and remain the property of the Company.
4. That I will not, without the authorization of the Company, disclose to any person outside of the Company or use at any time (either during or subsequent to my said employment) any trade secrets, technical data or know-how relating to the Company's products, processes, methods, equipment and business practices which I have acquired during my employment until such information shall have become public knowledge.
5. That the foregoing obligations shall survive the termination of my employment and that I will perform all necessary acts to make the agreement effective that on leaving the employ of the Company, I will not take with me, without its consent, any drawings, blueprints, documents or records belonging to the Company, or copies or transcripts thereof, and that at such time or prior thereto on demand, I will turn over to the Company all notebooks, drawings, blueprints, copies, transcripts or other notes, records or material belonging to the Company which are in my possession or under my control.
6. That I have set forth in Schedule A on the reverse side hereof, made a part of this agreement, a list and written description of all inventions, patented or unpatented, if any, owned by me prior to my employment by the Company. These inventions are to be excluded from this agreement.
7. That I have set forth in Schedule B on the reverse side hereof, made a part of this agreement, a list of all agreements with or obligations to other companies or parties which require that I keep secret or confidential any knowledge or information which I acquired from such other company or party. I represent that except as stated on the reverse of this agreement I have no agreements with or obligations to others in conflict with the foregoing provisions of this agreement.
